

ACADEMIC PROFILE			
B. Tech. (Mechanical)	Birla Institute of Technology, Mesra	8.84/10.00	2019-23
Class XII	Kendriya Vidyalaya Air Force Station Pune (CBSE)	90.8%	2017-18
PROFESSIONAL SKILLS			
Claude Code	Data Analytics (SQL, Power BI, Excel)	AI Prototyping	
Product Instrumentation	Business Statistics	Stakeholder Management	
WORK EXPERIENCE			
Product and Operations Lead HEBE (Family Business) Jul’25 - Present			
● Built a B2B marketplace platform for the essential oils industry, integrating escrow payments, warehousing, and lab-testing workflows reducing adulteration fraud and improving supply-chain transparency. ● Scaled marketplace adoption to 15K+ farmers, 600+ suppliers, and 150+ enterprise buyers within 2 months by optimizing acquisition and onboarding funnels through cohort analysis, A/B testing, and workflow redesign. ● Led digitization and B2B operations across procurement, pricing, and supply workflows for essential oil products, improving supply-demand alignment and driving 31% YoY revenue growth (₹1.6 Cr to ₹2.1 Cr).			
Associate Consultant Nation With NaMo Jul’23 - Jul’25			
Executed 5 state-level electoral campaigns across 4 Indian states, leading a 12-member cross-functional team and supporting senior leadership through analytics platforms, operational systems, and strategic decision frameworks. Product & Growth Strategy ● Built executive-facing analytics platforms integrating survey intelligence, sentiment analysis, historical voting trends, and ground reports, to drive user insight-led decisions across campaign strategy, voter outreach, and resource allocation. ● Led growth optimization for 3 state-level campaign platforms, driving 1.2M + user signups and improving engagement by 35% through A/B testing, funnel optimization, cohort-based messaging, and localized acquisition strategies. ● Designed centralized electoral intelligence systems segmenting 65K+ polling booths and 1.5M+ voter profiles into actionable cohorts, reducing leadership decision-making time by 40% through real-time dashboards and predictive analytics. Program Management ● Led a 12+ member cross-functional team across engineering, analytics, policy, media, and field operations to scale campaign intelligence systems, streamline reporting workflows, and operationalize real-time decision support. ● Directed omnichannel content dissemination strategy for senior national leaders (including Dharmendra Pradhan, Pema Khandu & Kiren Rijiju), leveraging SMAR reports to optimize engagement and ensure alignment with central campaign narrative. User Research & Policy Strategy ● Increased female voter turnout by 38% in rural Raisen by identifying participation barriers through field research and deploying a high-visibility community outreach campaign promoting 1,296 secure "Pink Booths." ● Directed a governance initiative to expedite Forest Rights Act claims by digitizing village GIS audits, streamlining departmental workflows, and driving local awareness, securing land titles for 2,800+ families within nine months.			
Summer Intern DRDO Jun’22 - Jul’22			
● Analyzed IC engine parameters and supported ATAGS ejector design, improving efficiency and reducing iteration time by 15%.			
Summer Intern Hyundai Jun’21 - Jul’21			
● Analyzed vehicle systems and manufacturing workflows across 10+ assemblies, impacting 200+ units/day in production output			
POSITION OF RESPONSIBILITY			
Business Development Volunteer Sabuja Biplav Jul’20 - Present			
● Secured ₹30+ lakhs in government and NABARD funding for essential oil development projects in Odisha. ● Led corporate outreach and secured CSR partnerships with doTERRA and Oriplast to support farmer livelihood programs.			
Head of Design Photography Society, BIT Mesra Jul’19 - Jul’22			
● Led institute branding, delivering 50+ creatives, mentoring 60+ designers, and scaling participation to 1,000+ attendees.
