Product Instrumentation	Business Statistics	Stakeholder Management	
WORK EXPERIENCE			
Product and Operations Lead HEBE (Family Business) Jul’25 - Present			
- Directed end-to-end B2B manufacturing and trading operations of essential oil products, increasing company revenue from ₹1.6 Cr to ₹2.1 Cr (31% YoY) by optimizing pricing, supply-demand alignment, and go-to-market strategy. - Identified buyer trust gaps and built a B2B marketplace with farmer-level traceability, integrating payments and operational workflows across 5,000+ farmers and 100+ workers, improving supply transparency and operational efficiency.			
Associate Consultant Nation With NaMo Jul’23 - Jul’25			
- Executed 5 large-scale electoral campaigns with 100% success rate across 4 Indian states (MP, Arunachal Pradesh, Odisha, West Bengal), managing end-to-end strategy, daily campaign operations and policy integrations. Campaign War Room (Execution & Operations) - Led growth and content strategy for 3 state-level campaigns, managing a 12-member cross-functional team and optimizing acquisition funnels to drive 1.2M+ signups through experimentation across messaging, channels, and conversion journeys. - Improved engagement by 35% by designing and executing A/B tests and micro-targeting strategies across 6M+ user data points, refining audience segmentation and content performance. - Directed omnichannel content dissemination strategy for senior national leaders (including Dharmendra Pradhan, Pema Khandu & Kiren Rijiju), leveraging SMAR reports to optimize engagement and ensure alignment with central campaign narrative. Political War Room (Stakeholder & Ecosystem Management) - Developed electoral analytics dashboard integrating historical voting data, sentiment tracking, and multi-round survey responses to categorize 65K+ polling booths, enabling micro-targeted interventions that improved resource allocation by 25%. - Deployed predictive geospatial clustering across 1.5M+ voter profiles to identify high-impact cohorts, translating insights into executive-ready recommendations and reducing leadership decision-making time by 40%. Governance Advisory (Policy & Research) - Achieved a 38% increase in female voter turnout in rural Ratlam by analyzing participation data to identify safety concerns and deploying a high-visibility community outreach campaign promoting 1,296 secure "Pink Booths." - Directed a governance initiative to expedite Forest Rights Act claims by digitizing village GIS audits, streamlining departmental workflows, and driving local awareness, securing land titles for 2,800+ families within nine months.			
Summer Intern DRDO June’22 - Jul’22			
Analyzed IC engine parameters and supported ATAGS ejector design, improving efficiency and reducing iteration time by 15%.			
Summer Intern Hyundai Jun’21 - Jul’21			
Analyzed vehicle systems and manufacturing workflows across 10+ assemblies, impacting 200+ units/day in production output			
POSITION OF RESPONSIBILITY			
Business Development Volunteer Sabuja Biplav Jul’20 - Present			
- Secured ₹30+ lakhs in government and NABARD funding for essential oil development projects in Odisha. - Led corporate outreach and secured CSR partnerships with Doterra and Oriplast to support farmer livelihood programs.			
Design Team Lead Photography Society, BIT Mesra Jul’19 - Jul’22			
Led institute branding, delivering 50+ creatives, mentoring 60+ designers, and scaling participation to 1,000+ attendees.
